

**In support of higher education
for Subway® employees in North Carolina.**

Congratulations on your plans for college! The Subway® Scholarship Fund was created to assist college students who have a history of working with SUBWAY® Restaurants. It also assists the children of SUBWAY® Sandwich Artists and Franchisees.

We are proud of your hard work and scholastic achievement and wish you luck in your future plans. This scholarship was established in 1996 to honor the twentieth anniversary of Peter Slomiany's commitment to SUBWAY®. A graduate of the University of Connecticut, Pete worked his way through college and was himself a scholarship recipient. He looks forward to repaying those who helped him by offering assistance to college students who have a history of working with SUBWAY® throughout North Carolina.

The 2021 application consists of four parts:

- 1) Application Questionnaire
- 2) Submission of Official Documents
- 3) Scholarship Essay

Part III Essay

A Day at SUBWAY®

Attending college, whether for the first time or as a returning student, is an exciting and challenging time in any student's life. During your years at school, you will look back on your experiences and apply the lessons learned in the past to your present situation.

With this in mind, please describe how working at SUBWAY® will prepare you for your future. Envision this through the eyes of different people such as a SUBWAY® Franchisee, a SUBWAY® Sandwich Artist, or a new SUBWAY® customer. Explain how this person is affected by what they see, do, or say and how he or she shares their SUBWAY® experience with those they meet. Be even more creative and describe how your SUBWAY® experience has prepared you for your future from the perspective of an object found at SUBWAY® such as the tomato slicer or your SUBWAY® uniform hat. Your SUBWAY® experience can take any form: a busy holiday weekend or a slower-paced weekday afternoon; however, please avoid rehashing your daily agenda or giving us a play by play of what happened to you at work yesterday.

All essays will be judged on their creativity, innovativeness, content, clarity, and originality. Essays will be judged objectively, and those evaluating the essays will not know applicants' names; **therefore, please avoid any identifying information such as the SUBWAY® owner's name, store location, or other specific information.**

Essays **must** be typed or computer generated (if possible), **double-spaced**, and **approximately 500 words**.
